

SCIENTIFIC AND PRACTICAL CONFERENCE “SURGICAL SPRING 2026”

“Innova” Medical Center, together with its leading specialists, will host the Scientific and Practical Conference “Surgical Spring 2026”, which will take place on May 29–30, 2026.

The conference will focus on current and emerging topics in surgical gynecology, bringing together leading international and local experts to share knowledge, discuss recent advancements, and analyze complex clinical cases in the field.

Date: May 29–30, 2026

Location: The Biltmore Hotel Tbilisi, Amphitheater “The Guild”

MAIN CONFERENCE TOPICS

- **Hysteroscopic Surgery**
- **Laparoscopic Surgery**
- **Robotic Surgery in Gynecology**
- **Gynecologic Oncology**
- **Surgical Management of Pelvic Organ Prolapse**
- **Modern Strategies in the Management of Deep Infiltrative Endometriosis**
- **Innovative Technologies and the Analysis of Complex Clinical Cases**

The event is organized in collaboration with the Georgian Association of Obstetricians and Gynecologists, the Georgian Association of Obstetricians and Gynecologists and Perinatologists, and the international organization “Gynecology Without Borders.”
